

FC Nova is Proud to Announce a Club Fee Reduction for the 2012-2013 season.

FC Nova is focused on making both recreational and competitive soccer opportunities available to the entire Treasure Valley – at both the youth and adult levels. As a part of this effort, we are committed to running a viable and fiscally responsible organization. We are pleased to announce that not only have we been able to expand our service offerings and continue the development of our premier soccer complex, we are also able to not only maintain but in some cases significant lower the cost of the services we provide.

The new price structure is due to FC Nova's dedicated Staff, Outstanding Tournaments, a successful Dinner Auction, Sponsors, Fundraising, Volunteer Contributions – Resources - Hours, and a strong fiscal management by the Board of Directors.

The reduced club fees will include added benefits to our membership. We will provide further details on the additional benefits provided with each program as we finalizing agreements with partners and complete the Nova programming model for the 2012-2013 season..
